Recognition FIELD DAY!!

Thanks to all the operators who spent time at the radios and made these record-breaking scores possible, as well as those who helped set up and take down the equipment and tents.

To offer some historical perspective, here is a summary of yearly total scores (including all multipliers and bonus points):

2009 -> 2244

2010 -> 2708

2011 -> 3096

2012 -> 3182

2013 -> 3608!
